

ADHISIVAN C

Java Software Developer

• +91 8870372274 • adhisivan2002@gmail.com • <https://www.linkedin.com/in/aadhi-sivan-ab6b78259> • Bommanahalli, Bangalore.

Summary

Aspiring Full Stack Developer with strong expertise in **Java, Spring Boot, JavaScript, HTML, CSS, React.js, and SQL**, complemented by hands-on experience in internships and personal projects. Skilled in building scalable web applications, designing RESTful APIs, and developing responsive user interfaces. Recognized for proactive learning, clear communication, and consistent team contributions.

Skills

Java | Core Java | Spring | Spring Boot | REST APIs | MySQL | JavaScript | CSS | HTML

Experience

KaaShiv InfoTech

Chennai, Tamil Nadu, India.

Web Development Intern

04/2024 - 05/2024

A technology and consulting company

- Developed responsive, user-friendly web pages using HTML5, CSS3, JavaScript, and Bootstrap.
- Created interface prototypes and design drafts to communicate concepts effectively.
- Resolved UI/UX challenges by researching and implementing modern tools and techniques.
- Collaborated with design and engineering teams to ensure project alignment and consistency.

HackerRank

Bangalore, Karnataka, India.

Software Engineer Intern

02/2025 - 04/2025

HackerRank is a technology platform that focuses on developer skills assessment and hiring

- Built cross-browser web interfaces optimized for performance and usability.
- Designed interactive mockups and wireframes for iterative feedback and improvement.
- Improved load speed and responsiveness using front-end optimization practices.
- Worked closely with product and design teams to ensure seamless development workflows.

Cognifyz Technologies

Nagpur, India.

Full Stack Development Intern

04/2025 - 05/2025

A data-driven tech company offering innovative solutions in software development and full stack technologies.

- Contributed to both front-end and back-end modules in a full stack development environment.
- Delivered modular and maintainable code with attention to quality and performance.
- Explored and applied new frameworks and tools to support evolving project needs.
- Recognized for proactive learning, effective communication, and consistent contribution.

Education

Master Of Computer Application

Tiruchirappalli, Tamil Nadu

Nehru Memorial College Tiruchirappalli

08/2022 - 04/2024

Bachelor of Computer Science

Tiruchirappalli, Tamil Nadu

Nehru Memorial College Tiruchirappalli

08/2019 - 05/2022

Projects

Real-time Weather Dashboard

Tech Stack: HTML5, CSS3, JavaScript (ES6+), OpenWeatherMap API, REST APIs, GitHub

- Developed a responsive web application to provide real-time weather updates.
- including temperature, humidity, wind speed, and conditions.
- Integrated OpenWeatherMap API to fetch and display accurate global weather data.
- Strengthened skills in API integration, responsive design, and clean code development.
